TO ALL SUPPLIERS

The Kenya Trade Network Agency (KenTrade) is a State Corporation under the National Treasury established in January 2011 to implement, operationalize, and manage the Kenya National Electronic Single Window System (TradeNet) and to facilitate trade.

The Agency has developed a new ERP System that will be used for all procurement transactions.

In this regard, you are invited for a virtual sensitization meeting on the suppliers' portal on **2nd September 2021 from 10.30 a.m. to 12.30 p.m.**

Kindly download the **Teams App** and join the meeting then using the link below: -
