TradeNet System Upgrade Go-Live August 20, 2021

[NAIROBI, Wednesday August 18, 2021]

KenTrade has upgraded the Kenya TradeNet system to enhance system productivity, avoid technological obsolescence and improve user experience. The TradeNet system upgrade entails a technological refresh to ensure that the system is compatible with recent technological advancements.

Effective 20th August 2021, traders (Clearing Agents & Importer/Exporters) will lodge new Consignment Documents (CDs) through the new upgraded system as highlighted in the roll-out plan. New Consignment Document (CD) applications to the current TradeNet system by traders will not be possible. Traders will be directed to submit the applications through the upgraded system.

The Go-Live will be phased out based on the Partner Government Agency (PGAs) rollout plan highlighted below:

	PHASE ONE PGAs	GO-LIVE DATE
1.	Communication Authority of Kenya (CAK)	August 20, 2021
2.	Pharmacy and Poisons Boards (PPB)	August 23, 2021
3.	Energy and Petroleum Regulatory Authority (EPRA)	August 23, 2021
4.	Department of Veterinary Services (DVS)	August 25, 2021
5.	Kenya Dairy Board (KDB)	August 25, 2021
6.	National Environment Management Authority (NEMA)	August 30, 2021
7.	Kenya Radiation Protection Board (KRPB)	August 30, 2021
8.	Pest Control and Products Board (PCPB)	August 30, 2021
