

## Compliance with the Data Protection Act (DPA)2019

Kenya Trade Network Agency (KenTrade) is a public institution under the National Treasury mandated by Act of Parliament known as the **National Electronic Single Window System Act 2022** to facilitate trade in Kenya.

The Agency would like to notify our stakeholders and the general public that KenTrade is in compliance with the **Data Protection Act (DPA) 2019** that came into force on July 14, 2022. This ensures there is control on how personal, or customer information is used by public organizations or government bodies. DPA applies to information or data stored on a computer or an organized paper filing system.

KenTrade has therefore established the KenTrade Data Protection Office and has appointed a **Data Protection Officer** who can be reached via e-mail on: [dpo@kentrade.go.ke](mailto:dpo@kentrade.go.ke)
